Subject- Strict Adherence to Departure of Students at the scheduled time

Dear Parents

Education at school is a partnership between parents and teachers and collaboration is the key to ensure success.

In the interest of the safety and well-being of students, we would like to remind all parents/guardians that students are required to proceed home directly as soon as school is over. Parents are requested to ensure students are counselled regarding the same.

If your child needs to go anywhere other than home after school hours, it should be with the prior permission of the parents/guardians. You would agree that this measure is crucial to ensure the safety and security of the students.

Your cooperation in this regard is highly appreciated, as it contributes to the overall safety and welfare of our students.

Thank you for your continued support.

With regards

Principal
