Dear Parents

Career decisions play a pivotal role in shaping the future growth and development of students. In today's environment of multiple options, knowing about the choices available helps children in their decision-making process. A Career Week shall be organized from April 17, 2023 to April 21, 2023 in the school premises with the objective of helping the students to design their higher studies and explore a range of options that can open new vistas for them.

Crafted for XII students, this week aims to sensitize the students and parents as well. The participants shall witness tailor made sessions that shall focus on providing a multifarious perspective of the various career fields as we do realize that it is imperative for students to identify their aptitudes, interests, career goals and aspirations in order to make sound decisions concerning higher education.

We extend the invitation to you all to attend the Career Fair to be organized by UNIWIZARD on April 17, 2023 from 10 am to 1 pm in the Nursery Wing of the school. You are requested to follow the given schedule on April 17, 2023 to avoid overcrowding:
